EXPERIENCE

Marketing Team

Nov 2025 – Present

Data Science Student Society @ UC San Diego

La Jolla, CA

- Captured and curated high-quality photographs and videos at major club events, producing visually compelling content that amplified club presence across digital, social, and promotional channels.
- Edited and produced short-form videos using Premiere Pro, building the club's brand and expanding reach by creating engaging, shareable stories that showcased student life and event highlights.

Tutor

Feb 2025 – Jun 2025

Schoolhouse

Remote

- Designed comprehensive, adaptive lesson plans and engaging slide decks for high-achieving students targeting a Math SAT score above 700, delivering dynamic virtual instruction tailored to varied learning levels.
- Led interactive group sessions for up to 10 students using Khan Academy-aligned curriculum, achieving measurable score gains—over half of mentees exceeded a 700, all demonstrated improvement, and received recognition with a 90% helpfulness rating and senior tutor offer.

Teacher

Sep 2022 – Jun 2024

Davis Math Club

Davis, CA

- Developed and taught an advanced after-school math curriculum, using custom worksheets, creative lesson plans, and engaging mini-lectures to spark enthusiasm and confidence in elementary students.
- Adapted teaching techniques to accommodate diverse learning styles, ensuring each student felt supported and curious while mastering challenging topics beyond their grade level.

Freelance Photographer

2024 – Present

- Executed a wide variety of creative shoots, including street, landscape, senior portraits, and outdoor expeditions in locations like the Sierra Mountains, building a versatile, high-quality portfolio.
- Grew a dedicated audience on Instagram (@alanb.vision) by consistently sharing original work, developing brand presence, and connecting with viewers through visual storytelling and community engagement.

Coach/Volunteer

Jun 2021 – Jun 2024

Special Olympics

Davis, CA

- Provided individualized and group swim instruction for athletes with intellectual and physical disabilities, tailoring activities to diverse abilities and communication styles while fostering confidence and joy.
- Built strong bonds through dedicated mentorship, emphasizing personal growth, teamwork, and fun, and consistently promoted an inclusive, positive environment.

Coach/Volunteer

Nov 2025 – Present

Every Child Plays: Sports Autism Project

San Diego, CA

- Organized and led basketball and soccer practices for children with autism, designing inclusive sessions that emphasized teamwork, social connection, and athletic development in a supportive environment.
- Championed a culture of inclusivity and encouragement, helping participants build friendships, boost self-esteem, and make meaningful progress both on and off the field.

Lead Photographer

2023 – 2024

Moda Magazine

Davis, CA

- Orchestrated creative direction and operational logistics for magazine photoshoots, guiding models, stylists, and photography teams to produce visually compelling imagery featured in every issue—including the cover—while consistently elevating editorial standards and brand identity.
- Mentored and managed a diverse team of photographers, developing training resources and providing hands-on support to optimize shoot performance, foster collaboration, and ensure professional quality across all published content.

Coach and Lifeguard

2022 – Present (Seasonal)

Dart Swimming

Davis, CA

- Delivered high-impact swim instruction to youth and Special Olympics athletes, designing comprehensive lesson plans that emphasized progressive skill development, water safety, and confidence-building, ensuring measurable improvement for swimmers across a wide age and ability spectrum.
- Acted as a certified American Red Cross Lifeguard, maintaining vigilant oversight of all pool activities and swiftly responding to safety concerns, while simultaneously cultivating a supportive environment that encouraged teamwork, personal growth, and a love of aquatic sports.
